

DIGITUS LSA punch tool

DN-LSA-PT
 EAN 4016032206569

LSA Punch Down Tool

The DIGITUS® LSA punch down tool is the ideal tool for cable installation in LSA strips. Due to the ability of simultaneously punch down of the cable and cutting of protruding wire ends, as well as the practical extraction and unlocking device, it is the optimal addition of your tool portfolio. The delivery comes with a protecting synthetic leather case.

Includes Extraction- and Unlocking Device

- Area of application: For cutting off the protruding wire ends
- General properties:
- Includes synthetic leather carry case
- Includes extraction- and unlocking device

Package contents

- LSA Punch Down Tool
- Synthetic leather carry case
